

System overview

Branch terminals with steatite base

Various branch terminals with steatite base.

Components

	2809E - Branching terminal steatite base 120mm2 g/y Branch terminal with insulating body steatite glazed, pressure plate and inner hexagonal screws brass nickel plated	
	2810BL - Branching terminal steatite base 150mm2 blue null	
	2810E - Branching terminal steatite base 150mm2 g/y null	
	2810 - Branching terminal steatite base 150mm2 white null	
	2812BL - Branching terminal steatite base 300mm2 blue null	
	2812E - Branching terminal steatite base 300mm2 g/y null	
	2812 - Branching terminal steatite base 300mm2 white null	
	2809 - Branch terminals steatite base 120mm² white Branch terminal with insulating body steatite glazed, pressure plate and inner hexagonal screws brass nickel plated
