

System overview

Neutral conductor connector/separator DIN35 4mm²-16mm²

Various neutral conductor connectors/separators DIN 35.

Components

	30197 - Neutral Disconnecting terminal DIN35 4mm² blue null	
	3473BL - Neutral Disconnecting terminal DIN35 16mm² blue null	
	30290 - Neutral Disconnecting terminal DIN35 4mm² null	
	30291 - Neutral Disconnecting terminal DIN35 6mm² Neutral disconnect terminal for busbar connection Safety cover, for busbar 10x3 mm , 4-digit marking option, screw M5	
	3477BL - Neutral disconnecter DIN35 6mm² blue Neutral disconnecter with connection for busbar, detachable, conductor stripping length: 12mm	
	30200 - Neutral disconnecter DIN35 6mm² blue Neutral conductor isolator blue DIN35 6mm ² 52x8x52mm with connection for busbar, detachable, conductor stripping length: 15,5mm	
	3472BL - Neutral Disconnecting terminal DIN35 4mm² blue Neutral disconnecter with connection for busbar, detachable
