

System overview

Grounding sockets

Various grounding sockets.

Components

	<p>48046/Frontset - Front set ground socket ZPA 3-fold JK64 ws</p> <p>consisting of: Front panel incl. screw Color: white</p>	
	<p>48047 - Earthed socket for 3 right-angle plugs</p> <p>for mounting in NIS box, with cover plate</p>	
	<p>52078 - Grounding sockets EDIZIOdue FKE black, with 3 plugs, for</p> <p>Grounding sockets EDIZIOdue FKE black, with 3 plugs, for installation trunking incl. cover plate 80x86mm , type Feller 2911.FKE plug in socket Ø 6mm made of nickel-plated brass, for 3x single-pole angle socket.version white (Art.No. 52068) or black (Art.No. 52078)</p>	
	<p>4599 - Grounding socket with 3 sockets, for flush mounting</p> <p>Cover plate 86x86mm, white. For installation in NIS box (installation depth approx. 40mm). Plug-in contacts with spring-loaded sockets, Ø 6mm , silver-plated, with locking. Rear connection bridge for conductors up to 16mm²</p>	
	<p>4598 - Grounding socket with 3 sockets, for installation trunking</p> <p>Front panel Ø 63mm, white, without inlet box. For installation in NIS box. Plug-in contacts with spring-loaded sockets, Ø 6mm , silver-plated, with lockingRear connection bridge for conductors up to 16mm 2Dimension: 70x70mm (mounting plate)</p>	
	<p>53886 - Grounding socket ZPA 4-fold NUP.Q ws</p> <p>for 4 angle sockets part no. 48048 with cover plate type feller 751.NUP.Q.61 Dimension: 87x87mm Contains no magnetic parts Color: white</p>	

System overview

Grounding sockets

	<p>53860/Frontset - Front set ground socket ZPA 3-fold JK60 ws</p> <p>consisting of Front panel incl. screw Color: white</p>	
	<p>48071 - Earthed socket for 3 right-angle plugs</p> <p>Edizio Due, for mounting in NIS box, with cover plate</p>	
	<p>52068 - Grounding sockets EDIZIOdue FKE white, with 3 plugs, for</p> <p>Grounding sockets EDIZIOdue FKE white, with 3 plugs, for installation trunking incl. cover plate 80x86mm , type Feller 2911.FKE plug in socket Ø 6mm made of nickel-plated brass, for 3x single-pole angle socket.version white (Art.No. 52068) or black (Art.No. 52078)</p>	
	<p>48046 - Earthed socket for 3 right-angle plugs</p> <p>mounting JK.61, without embedding box,without cover plate</p>	
	<p>36452 - Ground terminal Cu/zn for conductive soils</p> <p>made of electrolytic copper, galvanized Dimension: 45x40x25mm Ground conductor up to 6mm², brass, pickled Copper strip connection up to 20mm strip width, steel, galvanized</p>	
	<p>48072 - Ground socket ZPA 3-fold EDIZIOdue FMI sz</p> <p>for 3 angle sockets item no. 48048 for flush mounting, with mounting plate 70x70mm with cover FMI 88x88mm color: black contains no magnetic parts</p>	
	<p>48071/Frontset - Front set ground socket ZPA 3-fold EDIZIOdue FMI ws</p> <p>consisting of: Front panel incl. screw Cover frame EDIZIOdue FMI Color: white</p>	
	<p>52078/Frontset - Front set ground socket ZPA 3-fold EDIZIOdue FKE sz</p> <p>consisting of: Front panel incl. screw Cover frame EDIZIOdue FKE Color: black</p>	

System overview

Grounding sockets

	<p>48072/Frontset - Front set ground socket ZPA 3-fold EDIZIOdue FMI sz</p> <p>consisting of: Front panel incl. screw Cover frame EDIZIOdue FMI Color: black</p>	
	<p>52068/Frontset - Front set ground socket ZPA 3-fold EDIZIOdue FKE ws</p> <p>consisting of: Front panel incl. screw Cover frame EDIZIOdue FKE Color: white</p>	
	<p>53860 - Ground socket ZPA 3-fold Ø60 ws NUP-NEVO</p> <p>for 3 angle sockets part no. 48048 with mounting plate 70x70mm for type NUP-NEVO Ø60mm color: white contains no magnetic parts</p>	
	<p>53889 - Ground socket ZPA 1-fold FLF 3/5 ws</p> <p>for 1 angle socket item no. 48048 Color: white contains no magnetic parts</p>	
	<p>48045 - Plug 90A to grounding plug KST6 N</p> <p>Use for potential equalization, test, switch and experiment panels. Type KST 6 AR-N with locking device. For 10mm 2 strands, without locking device.</p>	
	<p>53881 - Ground socket ZPA 4-fold JK Ø64 ws</p> <p>for 4 angle sockets part no. 48048 for trunking installation, with mounting plate 70x70mm type JK for Ø64 punching color: white contains no magnetic parts</p>	
	<p>53883 - Ground socket ZPA 4-fold EDIZIOdue FKE ws</p> <p>for 4 angle sockets part no. 48048 for trunking installation, with mounting plate 70x70mm with cover FKE 80x86mm color: white contains no magnetic parts</p>	

System overview

Grounding sockets

	<p>53881/Frontset - Front set ground socket ZPA 4-fold JK Ø64 ws</p> <p>consisting of: Front panel incl. screw white</p>	
	<p>53885 - Ground socket ZPA 4-fold EDIZIOdue FMI ws</p> <p>for 4 angle sockets part no. 48048 for flush mounting, with mounting plate 70x70mm with cover FMI 88x88mm color: white contains no magnetic parts</p>	
	<p>53883/Frontset - Front set ground socket ZPA 4-fold EDIZIOdue FKE ws</p> <p>consisting of: Front panel incl. screw Cover frame EDIZIOdue FKE Color: white</p>	
	<p>48048 - Right-angle plug POAG-KBT 6</p> <p>with special protection against cut acc. to DIN42801, for 4 and 6mm 2 very flexib</p>	
	<p>48040 - Plug 90A to grounding plug KST6 AR-N</p> <p>with interlock, for strands 10mm 2</p>	
	<p>53885/Frontset - Front set ground socket ZPA 4-fold EDIZIOdue FMI ws</p> <p>consisting of: Front panel incl. screw Cover frame EDIZIOdue FMI Color: white</p>
