

## System overview

Plug-in spring terminals with two connections DIN 35

Various plug-in spring terminals with two connections.

## Components

	<b>38300/3V - PE push-in spring terminal block 2-fold 2.5mm<sup>2</sup> yellow/green</b> Plug-in terminal block with 2 connection options and conductive to DIN rail.	
	<b>38300/4V - PE push-in spring terminal block 2-fold 4mm<sup>2</sup> yellow/green</b> Plug-in terminal block with 2 connection options and conductive to DIN rail.	
	<b>38300/4GN - Push-in spring-cage terminal block 2-fold 45° 4mm<sup>2</sup> green</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/4E - Push-in spring-cage terminal block 2-fold 45° 4mm<sup>2</sup></b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/4GE - Push-in spring-cage terminal block 2-fold 45° 4mm<sup>2</sup> yellow</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/3BL - Push-in spring terminal block 2-fold 2.5mm<sup>2</sup> blue</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/3GR - Push-in spring terminal block 2-fold 2.5mm<sup>2</sup> gray</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/3E - Push-in spring terminal block 2-fold 2.5mm<sup>2</sup> yellow/green</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/4SW - Push-in spring terminal block 2-fold 45° 4mm<sup>2</sup> black</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	

System overview

Plug-in spring terminals with two connections DIN 35

	<b>38300/4BL - Push-in spring terminal block 2-fold 45° 4mm² blue</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/4BR - Push-in spring terminal block 2-fold 45° 4mm² brown</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/4GR - Push-in spring terminal block 2-fold 45° 4mm² gray</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/4OR - Push-in spring terminal block 2-fold 45° 4mm² orange</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/4RO - Push-in spring terminal block 2-fold 45° 4mm² red</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.	
	<b>38300/4WE - Push-in spring terminal block 2-fold 4mm² white</b> Plug-in terminal block with 2 connection options and labeling 2 × 3 labels.
