

System overview

Double deck clamps DIN 35

Various double-deck clamps.

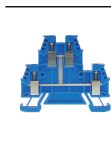

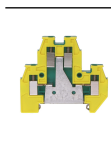

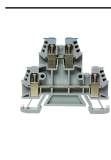

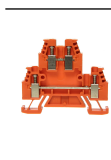

Components

	30860BL - Double level terminal block DIN35 2.5mm² blue Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	30860GR - Double level terminal block DIN35 2.5mm² gray Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	3430/1P - Double level terminal block single pole DIN35 4 mm² black Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	3430BL - Double level terminal block DIN35 4mm² blue Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	3430GR - Double level terminal DIN35 4mm² gray Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	3410BL - Double level terminal DIN35 6mm² blue Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	30890 - Double level disconnect terminal block DIN35 2.5mm² gray Double level disconnect terminal 2.5mm ² L-L grey for disconnect plug	
	3430/4GRV - PE double level terminal DIN35 4mm² gray Double level protective conductor terminal block partially wired on both sides 2x3-digit designation option	

System overview

Double deck clamps DIN 35

	3430/1PBL - Double level terminal block single pole DIN35 4 mm² blue Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	3430/4V - PE double level terminal DIN35 4mm² green/yellow Double level protective conductor terminal block partially wired on both sides 2x3-digit designation option	
	3430GRBL - Double level terminal DIN35 4mm² gray/blue Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	3430E - Double level terminal DIN35 4mm² green/yellow Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	3430OR - Double level terminal block DIN35 4mm² orange Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides	
	3410GR - Double level terminal DIN35 6mm² gray Double deck clamp with stainless steel screws, countersunk for cross connections, 2x3-digit marking option on both sides
