System overview

Plug-in terminals

Easy wiring with the plug-in terminal 2.5² 2/3/4/5/8-fold 2.0! This high-quality plug-in terminal allows quick and easy connection of single-wire copper conductors from 0.5 mm² to 2.5 mm².

Components

	39022/02 - Plug-in terminal 2.5mm² 2-fold 2.0 For connecting single-wire copper conductors from 0.5mm² to 2.5mm², transparent with test slot. 100 pcs. per box, color white	
	39022/03 - Plug-in terminal 2.5mm² 3-fold 2.0 For connecting single-wire copper conductors from 0.5mm² to 2.5mm², transparent with test slot. 100 pcs. per box, color orange	
	39022/04 - Plug-in terminal 2.5mm² 4-fold 2.0 For connecting single-wire copper conductors from 0.5mm² to 2.5mm², transparent with test slot. 100 pcs. per box, color red	
	39022/05 - Plug-in terminal 2.5mm² 5-fold 2.0 For connecting single-wire copper conductors from 0.5mm² to 2.5mm², transparent with test slot. 100 pcs. per box, color yellow	
	39022/08 - Plug-in terminal 2.5mm² 8-fold 2.0 For connecting single-wire copper conductors from 0.5mm² to 2.5mm², transparent with test slot. 50 pcs. per box, color grey
