

System overview

Quick Connect Box Series 48110 Power 5G IP

Quick Junction Boxes Series 48110 for flat cable Power IP 5G2.5mm²

The screwless quick junction box allows an even easier and safer installation compared to existing connection systems. A tool-free assembly (assembly errors due to cable geometry impossible), connection longitudinal, use even in narrow ducts, time required for installation less than 1 minute, integrated mounting for ceiling or wall installations.
