

System overview

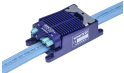

Quick connect box series 48103 DALI 3G

Quick junction boxes series 48103 Dali for flat cable Dali 3G2.5 2x1.5mm²

The screwless quick junction box allows even easier and safer installation compared to existing connection systems. A tool-free assembly (assembly errors due to cable geometry impossible), connection longitudinal, use even in narrow ducts, time required for installation less than 1 minute, integrated mounting for ceiling or wall installations.
